

Dear Participants,

Race day is 2 weeks away!

We look forward to welcoming you at Treasure Island on Pui O beach for the Valentine's Day Race.

Your registration is confirmed, and all add-ons, if any, have been taken into account too.

We can all rejoice in the relaxation of Covid measures. No PCR, no RAT are required before race day; however, if you happen to be covid-positive on race morning, please refrain from participating. We only want to spread the love of trailrunning 😊

For those of you who are not based on Lantau, here is some information regarding commuting to the race location.

The easiest point of access is via Mui Wo.

Here are the links to the ferry schedule:

You may take a blue taxi all the way to Pui O beach, or take the bus. The closest bus stop to the start line is Bui O school / Lo Uk Tsuen.

All the buses leaving Mui Wo will head that way and pass by Bui O school / Lo Uk Tsuen:

We will be in touch again soon with more race day information.

Best regards

The Trail Hub team
